

Brilley Parish Council Electronic Banking Policy

Adopted by Brilley Parish Council on 16 May 2017

Brilley Parish Council have considered the implications and risks of electronic banking while reviewing the Parish Council Risk Assessment and agreed the following points:

1. The Council will NOT use electronic banking to pay any transactions or bills at the current time
2. This decision will be reviewed regularly by the Financial Advisory Working Party
3. In particular the decision and policy will be reviewed if external parties institute mandatory payment of costs by electronic banking
