1. Minutes of previous Annual Parish Meeting – 19 May 2015. These were ADOPTED and signed.

2. Report from the Chairman –

Main points: Another 12 months has passed for Brilley Parish Council, during which time Peter Bufton and Keith White have retired after many years service and we thank them for all the time and dedication they have committed to the parish. We welcome Matt James as our new member.

Our NDP is progressing and will hopefully come to a good conclusion.

Out thanks go to our Lengthsman Peter Watts for all his services to the council over the last 12 months and also Richard Robertshaw for mowing the grass at the village hall and keeping it looking so tidy.

Our war memorial plans progress but we are not sure yet when work will start.

The Brilley website is shortly to be updated, which seems to provide a good service to the community.

We have a problem with flytipping in the village and we hope the new sign will rectify this.

Just a mention that Balfour Beatty seem to be catching up with repairing the potholes.

John Hope has retired as our county councillor and we wish him all the best and also welcome our new councillor for our ward Clive Skelton.

Our thanks to our clerk Alison for all her hard work and for keeping us in order.

3. Update from the Village Hall Committee –

Undertaken major facelift of new curtains, stage lighting and decoration. Theft of oil and now making the tank more secure. Tarmac finished and everything now paid for. Very grateful to Parish Council for paying for mowing as a lot of maintenance.

4. Public Forum – Update on Neighbourhood Development Plan, nearly through Regulation 14 Consultation again; next stages are submission to Herefordshire for Regulation 16 Consultation, examination and finally local referendum.

Fly tipping now moved to Welsh side.

New Inn, update on referral to Enforcement Officer.

War memorial, aim for commemoration in 2018, local celebration, commemorative plaque and formal service in Hereford Cathedral. Update on current progress given. Clerk INSTRUCTED to ask Bishop of Hereford's Registry for urgent action so work can be completed before commemoration date.

This meeting was declared closed at 19.22.
